Patch 2.04 Available:

Update Patch 2.04 (May 9, 2019) includes the following updates to improve the player experience:

- "Honorary Titles" have been added to the game. Honorary Titles can be equipped in the same way as normal Titles by going to the Inn and selecting "Change Title."

Additionally, both Honorary Titles and Titles are now displayed on the lobby matchmaking and in-game "Rival Camera" screens.

- Beginner Match Adjustments

All Beginner Matches will now have a Training Point Boost automatically applied permanently. New players can now earn points and unlock their favorite Ninjutsu and items from VR Masters faster!

- New: Team Icons

The UI now displays an icon showing which players are in a party with other players.

You can check this icon on the lobby matchmaking screen, the in-game player list screen, and the match results screen.

- New: Abandon Mission (solo missions only)

Solo players can now choose to abandon a mission through the pause menu mid-game and return to the lobby.

This menu is only available for single player missions and cannot be accessed in multiplayer.

- Matchmaking Adjustments

The matchmaking algorithm has been adjusted to help reduce the gap in levels between teams that occasionally occurred. We are always working on improving the quality of matchmaking and will continue to monitor the situation.

- A new tutorial mission "Entrance Exam" has been added to the game. This tutorial can be accessed and played at any time from the VR Ninjutsu Arena.

- Old Tutorial Skip Support

Players can elect to skip the original tutorial mission by abandoning it from the in-game pause menu.

- Ninjutsu, Secret Technique balancing

To increase the number of viable jutsu options for players to use and the variety of battles players can enjoy, a number of ninjutsu and secret techniques have had their numbers and mechanics tweaked.

. **HIRUZEN SARUTOBI RETURNS TO FIGHT IN NARUTO TO BORUTO: SHINOBI STRIKER:**

Sarutobi was the 3rd Hokage of the Hidden Leaf Village and considered to be the strongest ninja of the entire village – calling upon a wide variety of incredibly powerful jutsu. Now you can play him in *Naruto To Boruto Shinobi Striker* thanks to the free update available from today!

Hiruzen Sarutobi introduction trailer:

<https://youtu.be/T3laisikSYI>

Sarutobi's ninjutsu are the Firestyle: Dragon Flame Bomb and the Earth Style: Earth Dragon Bullet. His Ultimate is the infamous Reaper Death Seal, a forbidden technique dealing strong debuff and extend the respawn time of the target.

Players that have purchased the Season Pass or the DLC 2 as standalone will unlock tomorrow Hiruzen Sarutobi as a Master Character - giving them access to his move set, costume and weapons for their own in-game avatars.

More characters will be added to the roster in the coming weeks. Stay tuned

. MADARA UCHIHA ARRIVES IN NARUTO TO BORUTO: SHINOBI STRIKER:

We're welcoming today in Naruto to Boruto: Shinobi Striker the Legendary leader of the Uchiha clan, Madara Uchiha!

You can now get his special master-ninjutsu training for your avatar with the DLC 9. It includes:

- Madara's fan
- Avatar part: Madara's hair (male and female)
- Madara Outfit (male and female)
- Madara's Ninja way t-shirt
- Madara's Ninjustu (Range Type):

- Fire Style: Majestic Destroyer Flame:

Channel your chakra into scorching fireballs, which, along with the flames they scatter around, deal damage.

- Fire Style: Hiding in Ash Jutsu:

Hide yourself into the ground by rolling up in hot ashes and dust. Upon the activation, it explodes, and during the effect it nullifies enemy attacks.

- Secret Technique: Heaven Concealed:

Create and drop a gigantic boulder on the battlefield. Upon impact, it creates a damaging shockwave across a wide range.
